

FOOD, FUEL, WATER, LANDSCAPES, PEOPLE

18 ACCEPTED OFFERS

**MEET PHASE 1
NEW HIRES
JOINING OUR TEAM**

INSTITUTE OF AGRICULTURE AND NATURAL RESOURCES
UNIVERSITY OF NEBRASKA – LINCOLN

Lindsay Hastings

Community Leadership Development
Agricultural Leadership, Education, & Communication

Santosh Pitla

Advanced Machinery Systems Engineer for Food, Fuel, Water
Biological Systems Engineering

Simanti Banerjee

Behavioral/Experimental Economics
Agricultural Economics

Andrew Suyker

Micrometeorologist
School of Natural Resources

Joe Dauer

Life Sciences Education
School of Natural Resources

Cory Forbes

Science Literacy Coordinator
School of Natural Resources

Jenny Melander

Science Literacy Specialist
Biological Systems Engineering

Joe Louis

Plant Arthropod Interactions
Entomology

Jessica Petersen

Functional Genomics

Animal Science

Julie Peterson

Agroecosystems Ecologist

Entomology/West Central Research & Extension Center

Tomas Helikar

Computational Sciences
Biochemistry

James Schnable

Computational Sciences
Agronomy & Horticulture

Chris Gustafson

Behavioral Economics and Health Disparities
Agricultural Economics

Dipti Dev

Childhood Health Behaviors
